BRAND OVERVIEW

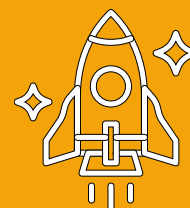

ChargedUp is Southeast Asia's electrification accelerator, connecting the people, intelligence, and infrastructure needed to drive the future of sustainable mobility.

Through our ecosystem of events, platforms, and real-world deployments, we help structure demand, connect supply, and enable electrification across the region.

Vision

To structure demand, connect supply, and enable deployment that accelerates sustainable mobility across the region

Mission

To accelerate the transition towards electric mobility by connecting ecosystems, transforming intelligence into action, and enabling real-world deployment at scale

BRAND VALUES

01

Connect

We bring together stakeholders across the mobility ecosystem to create meaningful partnerships and opportunities

02

Intelligence

We equip businesses and communities with the intelligence, platforms, and tools needed to accelerate electrification.

03

Accelerate

We turn ideas into action and drive real-world adoption through collaboration and execution.

04

Build

We create the infrastructure, relationships, and foundations needed for long-term ecosystem growth.

BRAND PERSONALITY

We are visionary in our thinking, collaborative in our approach, and bold in our ambition to shape the future of electrification in Southeast Asia.
